

Pasinex Resources Ltd. and Akmetal AS Expand Joint Venture Land Package in Adana Province, Turkey

September 07, 2012 - Pasinex Resources Ltd. (CNSX: PSE) (the “Company” or “Pasinex”) announces that it has expanded its land package in Adana Province, Turkey which falls under the joint venture agreement with the Turkish mining company, Akmetal AS (see news release dated June 28, 2012). The land expansion is comprised of three properties, Gokceviz, Kayrak-Kisacikli and Kayadibi, (the “Properties”), and the acquisition of these claims was based on their potential to host base and precious metals.

Gokceviz, Kayrak-Kisacikli and Kayadibi Properties

The Properties cover approximately 2,601 hectares and are located within the Horzum area of Adana Province. With the new acquisitions, Pasinex has a total of eight claims totaling approximately 8,650 hectares within this area that are under a joint venture agreement with Akmetal AS. The Properties were staked for their potential to host lead / zinc mineralization and are all early-stage, exploration opportunities. An initial field work program including soil sampling and geochemical surveys is already underway on the collective group of properties.

The Company has sufficient capital to fund the acquisitions and initial outlined work programs.

A map showing the location of the properties is available on the company’s website at: <http://www.pasinex.com>.
